## DECLARATION IN SUPPORT

Whereas, on 08042021, ALJ ordered:  
"The claim is dismissed."

Whereas, said opinion of ALJ  
communicated as follows:

"SUMMARY You did not appear for  
the hearing on August 02, 2021 .  
Your appeal is dismissed" ;  
"A notice of hearing was sent  
to the last address given to  
State Hearings. The notice  
listed the date and time of the  
hearing. It was not returned in  
the mail" ;  
"You did not ask for a  
postponement before the  
scheduled hearing time. You or  
your authorized representative did  
not attend the scheduled hearing"  
(Abandonment Decision-

(AbandonmentDecision-NonAppearance. SHDN: 14736662).

Whereas, ALJ's averments were blatantly, maliciously perjored and false mistatements; Claimant, in fact did file, and as on record, Demand for \*Continuance" to adjourn proceedings with fully meritorious cause in good faith on (date); Claimant did wait at a remote location for scheduled phone call with intent to orally assert the \*continuance at 1000 AM on 08022021; ALJ defaulted in Gross Prejudice; Claimant never received scheduled phone call aforesaid at phone number: (916) 562-5584 on record (an Obama cellular phone account); Claimant's phone call history has never recorded received phone call as described on date (see:

210802LptnkHrssmntJCTFvsSACDHA1Flr2ApprByPhnDflt104736662.mp4 @ <https://youtu.be/i-1ErTmBI3c>); Claimant has since suspected rerouting to a false, impersonating Third-Party in RICO Conspiracy... Again...

Whereas, ALJ has maliciously defaulted by total Ignorance, violating Due Process and Compulsion Rights, on Claimant's

compulsions, and Defendant Agency has Maliciously withheld depriving Claimant's preparation for Oral Statements for deliberation in matter AGAINST THE LAW!

Whereas, ALJ's malicious action aforesaid was conspicuously timed to be reactionarily Prejudicial and Malicious to: Claimant's filed Letter of Demand to Compel Identification Record pursuant to Public Information Act and Disclosure of Discovery by APA and Manual... to ensure faithfulness and accuracy of said record of Claimant's Identity as relevant at issue within Claimant's pleadings on record; Defendant Agency is withholding maliciously; ALJ is obstructing in violation of Fundamental Rights at issue further Evincing RICO Conspiracy per necessary averments addressing of Claimant! Letter included attached: proofs of identity record on previous dates years prior reentered into this administrative record (reference).

Whereas, ALJ disposition at issue included statement:

"APPEAL RTGHTS Your hearing

"APPEAL RIGHTS Your hearing decision is attached to this letter. If You Disagree with Your Hearing Decision Reopen Your Appeal You can ask to reopen your appeal. To do this, you must give a good reason for not attending the hearing. This must be done within 30 days of getting the decision. We may still be able to reopen your appeal if you had a good reason for asking late. You can ask to reopen your appeal. If you move or change your phone number, tell us right away. (AbandonmentDecision-NonAppearance. SHDN: 14736662).

Whereas, therefore, and post long train of client and claimant mistreatment, by malicious and prejudicial abuses of process betraying malice intent of defendant agency and venue agency for inference, Claimant justly and reasonably suspects Abuse of Process, in same RICO Conspiracy at issue in matter, of organized crime record and identity tampering, by scheduling simultaneous hearing dates, by differing means and locations, to multiple parties (one being Third-party illegally misrepresenting to be myself fraudulently), while ACMS case-management system stores two differing casework records

two differing casefile records, for two separate parties fraudulently accessible by two differing usernames and passwords, with the other than mine being fraudulently counterfeit unaccessible to myself intended to replace my own accurate and official caserecord of case:104736662, record of case initiated by myself, (see my own accurate casefile record maintained, included retrieved database records corroborating from ACMS account, @ "JCTF vs. SACDHA" page @ URL:

<https://bboip.wordpress.com/jctf-vs-sacdha-etal/> , when: notice sent to myself was communicated to be notice of a "phone hearing" (even though I waived hearing by right opting to Demand electronic Alternate Procedure pursuant to APA and within manual of procedural rules as specified with deliberation upon AV records of Oral Statements), and also while, simultaneously, even though policies corresponded to myself communicated that all proceedings at DSS were to be by telecommunication means due to Covid, again conspiratorially exploited ulteriorly motived in the Looptank conspiracy it really

only is of, recorded location of hearing to be: "Hearing Time: 08/02/2021 1000 AM Location: 444N 3rd St. Suite 100, Sacramento, CA 95811" (see attached: 210802C1mntsPstpnmntbyACMS ScrnshLog.pdf).

Wherefore, said decision of ALJ on 08042021 Gross Abuse of Discretion Obstructionist and Actually Heinously Hostile, equivalently to communicating (which I am sure, by the act, you did amongst parties Ex Parte), "\_uck you" to Claimant's Fundamental Rights to Due Process, Life, Limb, Liberty and Property by Persecution Idly by an escapist nonaction action as misconduct you must reverse; especially since: 1. Claimant demanded discovery of identification on record, for purposes aforesaid, after abuses of process withholding, when Claimant avers upon proofs abuse of electronic means of surveillance while he has intended to procure birth certificate by mail from near Scranton, Pennsylvania, Joey Biden's hometown upon this record

hometown, upon this record administratively attached to my EBT account as proof of identity and with recent mail from same agency to fulfill requirements from an action of notice, but then Sacramento police officers colluded to steal my personal papers and effects approximately one year ago, while Veteran's services prejudiced denying human assistance at issue, and 2. agency is definitely colluding in satanic scheme against my person per averments previous... Therefore, it is Obligatory upon same ALJ, pursuant to all applicable law, to "reopen" SHDN: 104736662 immediately, with Stay of Proceedings until Full Delivery of Discovery Compelled by Claimant, and then fourteen business days, in the Interest of Justice in Equity!

[NOTE: Please, this time, reference your legal term dictionary for comprehension of terms within! Are you really truly credentialed, competent to be qualified for representing positions? Who hired you? Record evidences that you are

you? Record evidences that you are imposters planted by RICO saturating without requisite literacy! This is all REALLY NOT FAIR! Restrain malicious bias!] \*CONTINUANCE

Shortly thereafter, in similar context as Malcolm X method paraSecurity Guard for one shift at Punjab Sikh owned 7/11 store on 65th St.: unprovoked same culprit harassed to instigate and provoke differentially and hostile communicating threats of violence and to physically remove myself from the "public" property since "public place of accommodation ostensibly open to the public" with ulterior motive: perpetrated maliciously predisposed in malice and belligerence while invading personal space, accusation frivolous about "standing where (he) (was) about to sweep" within the whole store which was clerk counter during transaction for a purchase while in process. I verbally corrected him, completed transaction and left. Next morning: he woke me up hostile while from behind a fence at my current sleeping location nonpermanent shouting abuse calling myself fight words, "Punkass bitch!"; communicated threats to step on my head while I am sleeping and to never "disrespect him again" as gang member typical sociopathy saying.

## RULE OF LAW

{What is CONSPIRACY?

In criminal law. A combination or confederacy between two or more persons formed for the purpose of committing, by their joint efforts, some unlawful or criminal act, or some act which is innocent in itself, but becomes unlawful when done by the concerted action of the conspirators, or for the purpose of using criminal or unlawful means to the commission of an act not in itself unlawful. Pettibone v. U. S., 148 U. S. 197, 13 Sup. Ct. 542, 37 L. Ed. 419; State v. Slutz, 106 La. 182, 30 South. 298; Wright v. U. S., 108 Fed. 805, 48 C. C. A. 37; U. S. v. Benson, 70 Fed. 591, 17 C. C. Conspiracy is a consultation or agreement between two or more persons, either falsely to accuse another of a crime punishable by law; or wrongfully to injure or prejudice a third person, or any body of men, in any manner; or to commit any offense punishable by law; or to do any act with intent to prevent the course of justice; or to effect a legal purpose with a corrupt intent, or by improper means. Hawk. P. C. c. 72?

(<https://thelawdictionary.org/conspiracy/>). Conspiracy I k:mspirQsiy I. A combination or confederacy between two or more persons formed for the purpose of committing, by their joint efforts, some unlawful or criminal act, or some act which is lawful in itself, but becomes unlawful when done by the concerted action of the

conspirators, or for the purpose of using criminal or unlawful means to the commission of an act not in itself unlawful. A person is guilty of conspiracy with another person or persons to commit a crime if with the purpose of promoting or facilitating its commission he: (a) agrees with such other person or persons that they or one or more of them will engage in conduct which constitutes such crime or an attempt or solicitation to commit such crime; or (b) agrees to aid such other person or persons in the planning or commission of such crime or of an attempt or solicitation to commit such crime. Model Penal Code, § 5.03. Crime of conspiracy is distinct from the crime contemplated by the conspiracy (target crime), *Com. v. Harris*, 232 Mass. 588, 122 N.E. 749. A conspiracy may be a continuing one; actors may drop out, and others drop in; the details of operation may change from time to time; the members need not know

time; the members need not know each other or the part played by others; a member need not know all the details of the plan or the operations; he must, however, know the purpose of the conspiracy and agree to become a party to a plan to effectuate that purpose. Craig v. U. S., C.C. A. Cal. , 81 F.2d 816, 822. See also Combination in restraint of trade; Confederacy; Wharton Rule. Civil conspiracy.

Two or more offenses may be charged in the same indictment or information in a separate count for each offense if the offenses charged, whether felonies or misdemeanors or both, are of the same or similar character or are based on the same act or transaction or on two or more acts or transactions connected together or constituting parts of a common scheme or plan.

Fed.R.Crim.Proc. 8(a). Joinder of parties. The act of uniting as parties to an action all persons who have the same rights or against whom rights are claimed, as either co-plain tiffs or co-defendants. Fed.R.Civil P. 19 and 20. Necessary and indispensable parties. Prior to 1966 the federal. and most state. courts used classifications to determine if a person should or must be joined in an action. The label **indispensable** was used if the connection to the action of the

absentee party was so close that the action should be dismissed unless the party was joined. The label ♦necessary♦ was used if the party was one who ought to be joined if this was possible. These classifications proved unsatisfactory and in 1966 Fed.

Rule of Civil Proc. 19 was replaced with a new Rule 19.

♦Joinder of Persons needed for Just Adjudication.♦ Rule 19(a) defines the class of persons who are needed for just adjudication. If an absentee meets this test. and is subject to process. the court must require that he be joined. If the absentee is needed for just adjudication and is not subject to process, Rule 19(b) states the factors to be considered in deciding whether to proceed in his absence or to dismiss the action. Proper parties. If a party has some relation to the action, but it is not so close as to make him a person needed for just adjudication within Rule of Civil Proc. 19(a), he is a ♦proper♦ party, and the plaintiff has an option whether to join him if the tests of Rule 20 are met. Joinder of remedies. Whenever a claim is one there tofore cognizable only after

another claim has been prosecuted to a conclusion, the two claims may be joined in a single action; but the court will grant relief in that action only in accordance with the relative substantive rights of the parties. In particular. a plaintiff may state a claim for money and a claim to have set aside a conveyance fraudulent as to him, without first having obtained a judgment establishing the claim for money.

Fed.R.Civ.P. 18(b)♦

Levying war. In criminal law, the assembling of a body of men for the purpose of effecting by force a treasonable object; and all who perform any part, how ever minute, or however remote from the scene of action, and who are leagued in the general conspiracy, are considered as engaged in levying war, within the meaning of the constitution. Art. III, ? 3, U.S. Constitution. See also

Insurrection. The words include forcible opposition, as the result of a combination of individuals, to the execution of any public law of the United States; and to constitute treason within the Federal Constitution, there must be a combination of individuals united for the common purpose of

forcibly preventing the execution of some public law and the actual or threatened use of force by the combination to prevent its execution. *Kegerreis v. Van Zile*, 180 App.Div. 414, 167 N.Y.S. 874, 876. (Black's Law Dictionary).

Repeatedly, officers have communicated, at each illegal stop, due to officer's awareness of legal imprudence during contingencies of these matters: It is policy to only arrest for non-frivolous priorities within jurisdiction, in consideration of time and resources of agencies and courts and in lieu of early date respecting parties' right of liberty to not be unnecessarily

liberty to not be unnecessarily restrained within a jurisdiction not residence over such pettiness. DO NOT CHANGE POLICY. I will always consider any acting upon said warrant false, upon the above, during time recourse at issue is obstructed by delays described to be Malicious and Hostile Criminal Collusion in same Conspiracy aforesaid. DO NOT HARASS WITH ANY MORE ATTENTION AT ALL THEREBY RESTRAINING MY JUST CAUSE TO RECTIFY, and all Incidents have and do cause malicious damages of time-waste and delay each time as harassments WHICH YOU MUST CONSIDER; therefore, I will, to reiterate since nothing seems to get through skulls since Occultic Looptank cooperation that has caused Looptank Effect Syndrome, the mass psychogenic hysterical epidemic (when Covid does not even exist... But Looptank Effect Syndrome is actually the epidemic that this delusion is result of with its bizarre behavior and societal complacency with as specifically cooperation with Xi Jinping of China a core contagion as plot on one person specifically and this is actually the truth) hysterical to clamor about one person, which

is a Phenomena that has occurred in history yet never on same scale, and with its mental state aberrations pervading, it includes that such obvious is always guilefully denied to this target... The exclusionary rule is a legal principle in the United States, under constitutional law, which states that evidence obtained or analyzed in violation of the defendant's constitutional rights is sometimes inadmissible for criminal prosecution in a court of law. As we know it, in the United States, everyone has rights, and the people who accept the responsibility of upholding the law are responsible for upholding all laws as it pertains to everyone. This also includes suspected criminals. The exclusionary rule is grounded in the fourth amendment and is intended to protect citizens from illegal searches and seizures from the police.

A cease and desist letter is a document sent to an individual or business to stop allegedly illegal activity. The phrase ◆cease and desist◆ is a legal doublet, made up of two near-synonyms. The letter may warn that, if the recipient does not discontinue specified conduct, or take certain actions, by deadlines set in the letter, that party, i.e. the letter◆s recipient, may be sued.

Attitude of Dispatcher, Brian, Betrayed obvious and conspicuous Malicious Predisposition in premeditated and Aggravated collusion with these joindered acts of Conspiracy in context of all of the litany of MY just reports to your agency and, therefore, guilt as party of it! All my reports of joindered acts of crime toward myself have been prejudiced with nonaction toward culprits and enforcement by my rights of law enforcement DETERRENCE betraying NOT ONLY COMPLICITY but COLLUSION while continuing escalated behavior of OVERZEAL and HYPERVIGILANT Misconduct Harassing myself with Retaliatory Malicious and Frivoloys stops betraying intent to DISRUPT my LEGAL ACTIVITIES by the HARASSMENTS! They Constitute: Illegal Restraints by Illegal Abuse of Investigatory means Beyond Scope of Duty (all while, criminally, law enforcement is neglected in justice in my favor as duty) by HARASSMENTS BORDERING on ARREST, without ANY REASONABLE SUSPICION, ( by legal doctrine of these legal terms of relevant

issues ♦ RESEARCH) in CRIMINAL CONSPIRACY I have reiterated previously an incalculable number of times, and since, Escalating Retaliatory Harassments only Increase and Worsen in total, Complete partialirty and Prejudice!!!!

Due to inundaion of multiple harassments of which many have been subjects of complaints to your agency, I did file a continuance of 08022021 phone hearng with good faith cause. also since former agency ignored discovery compulsion withholding maliciously preventng my preparation against Due Process, and multile ther reasons with good faith cause procedurally specified in my declaration! INTRODUCTION to 201103 AV Special Report and Address Correspondence to SACPD Internal Affairs and Chief and Infiltrant Mooreman:

Production of full Special Report has been delayed by extraordinary harassments subjects of multiple other ALCS1I casematters. I intend completion communicating further Intelligence on mentioned insight: Occultic Phenomena (Doppleganger and Black Magic Remote Sex connected to demonaic mindcontrolled operation) and Avon Lake wiccan cult (and crypto-satanic of false-Christian imposters, and of Northeast Ohio originating ♦Gothic Cult♦ faction and terrorist group (of the Looptank Insurrection Group Network) ritualing by Rocky Horror Picture Show as actual vampires per secreted, esoteric agenda). This introduction addresses: I was sexually harassed again by the behavior of its practice (actually

behavior of its practice (actually common amongst the satanic cult ♦Fraternal Order of Police♦) being flaunted spitefully, and with offensive intent toward a known opposer, during an illegal stop by alleged officer who betrayed he never attended Academy in a uniform.

It will serve to support a restraining order!

[To Judge: approx. 7 years ago, I sat in open court in this county (for citation for sitting in a public park actually) when a judge opened court meeting declaring, ♦This is a ♦Rush Gospel♦ free courtroom. This was during a very long period of ♦Looptanking Eschatalogical♦ dynamics of the continuing Mass Psychogenic Hysterical Epidemic♦ of Looptank Effect Syndrome with an outbreak of the practice mentioned. It has been, and is, a national security concern as a means of warfare by sorcery. During this period, the schizophrenic term referred to it by those of the vast mass on the periods mibdcontrol program. I have walked passed Loaves and Fishes witnessing an officer of the Sacramento Police Dept on a

the Sacramento Police Dept on a platform briefing a mass audience of clients, at Friendship Park, on ♦safe, responsible ♦Rush Gospeling♦ against the law and obviously Effected. Therefore, I am certainly aware their is priviness to intelligence of this Abhorrent Reality amongst occultic network members. But, as Jacob the Centrally Targeted Figure, the Judeo-Christian Figure, such is guilefully denied to myself as a KNOWN Nonconformer and OPPONENT! This reality MUST be acknowledged and addressed for the EVIL that it is♦ I was sexually harassed by the Asolescent, Rebellious Protest flaunted before this FIGURE of JUSTICE and the fop can go to hell with the pubescent ridicule I am witnessing at this monent by the Harassments of the Looptank Manifest Phenomena♦s Clamor and riot♦ and both Mooreman and chief D. Hahn are heard amongst them! And with Communicated Death Threats and other threats of plots of Malicious Misconduct! GET YOUR BONER OUT of MY FACE FOP I DO NOT SWING THAT WAY FAGGOTS! and I♦m provoked to pissed offness really bad

Do you remember? Their have been

Do you remember? Their have been other alternating schizo terms usurped by the audibly heard phenomena: Specious Pooling, Ghosty Pumping (oh♦ and when Peart was ♦Ghosty Pumpker♦), Ampoling, Chinky Favors, doing the Ansol Pat, Rockmonster Funtimes, and other just as infantileminded. Wasn♦t this all really wierd? I want fop cops to stay away from me! [+ Today's Bboip Beacon Blog]... ,  
"I just got a call, but, ..." etc...  
then immediately left... He saw it  
was me upon arrival, I was  
conducting lawful activities... My  
qualm: the false-report... I Demand  
False-reporters arrest for all  
crimes of conspiracy as charges  
for deterrence since in collusion...  
7. Last night, 08292021: Joindered  
incident act of Stalking Harassing  
by other Ampol Nomadite ar Chevron  
on 65th St. when he did begin  
illegal activity of smoking meth  
and flaunting... before me in spite  
(my abhorring nonconconence  
nontolerant is known) arrived post  
myself, while, as conducive  
location, I caseworked ob same  
objectives as aforesaid... With same  
Looptanj Motives and Intents, upon  
arrival, Premeditatively and  
sociopathically perpetrated and  
aggressed reverse accusations  
provokingly in same pattern  
retaliatory to my preparation for  
actions for Restraining Orders  
against them, as within  
Information and Cease and Desist  
Letter I am preparing, and while  
under Workproduct Rule anf Privacy  
Rights Violating Harassments,

communicated, as his perpetration, provoking threats and fight words and of violence attempting restraints of my liberty and speech yelling commands at me to not stalk him, not to make any noise around him by coughing, move aeound him... and consistent with recurring pattern I am pursuinf Restraibg Order Against them... And in advance... this is to justify with this support and following declaration, in advance, and to legally prepare communicatively, when and if I ever have cause to KILL any of them, it will be totally legal with Excususory Defense jystifiable against any criminal accusations against myself, with JUST CAUSE in self-defense apropos... You have been informed of the support and it us with full merit... SO DO NOT LOOK MY DIRECTION when incident occurs that I do defend myself and my just causes by killing any particular number of them... and multiple times I have informed of their crimes to only Prejudice if Crimibal Neglect of Law and Order requisite and mandatory law enforcement protection... so this us what I am left to... So, now Justified in advance with your kniwledge of the support. I openly

knowledge of the support, I openly am being nenguilefully sincere, informing you that: I will obliterate them as I could have always done each time and such act is to be totally immune... or any act toward myself in response will not be taken lightly with acceptance either... and thus is totally straight forward... I will smash their skulls, tear them apart with my bear fingernails, and if I see zBrian Warner in my eyesight, I am going to end his breathung, send him to hell where he belongs (oh... the deviant you are colluding with as well), and rip his goofball out of his eyesocket and squash it because it is an abomination... and go on with my causes with total liberty ... totally immune do you understand me?!

DEMAND: I DEMAND culpable parties' arrest for justice of deterrence against these harassnents as obligatory per Tradition of Law that us effective for the General Welfare, when your Criminal Negligence if it is Detrimental and Malevolent to Law and Order... DO NOT LOOK AT ME... you have bee Maliciously Prejudicial against myself for too long... and I am continuing my Cease and Desist

Letter with actions for Restraining Orders against you, and to IA and Chief Daniel Hahn of these gangs, whether you like it or not... STOP YOUR HARASSMENTS... You are being CONFRONTED JUSTLY you satanic pieces of trash HARMS who eat innocent people ... I am going to get you... And, such pattern recurs constantly as I near completion of preparation for actions in matters escalating evincing to proof conspiratorial motive and I MUST DEFEND...

All acts herein certainly proven and by conspicuous timing to be joindered as in collusion conjunctively i cooperation together in same conspiracy... (DO REFERENCE BBACKGROUND OF INFORMATIONS! ].

ANOTHER JOINDERED ACT INCIDENT: Approx. 9:30 PM, Little n nigger of gang committed another joindered act conspicuously timed in another escalated dynamic fluctuation with: 1. another deprival of service at Public Accomodation Place, Arco on 65th St., 2. Communicated threats, nprovoked to kill me in my sleep, "(he) is in this hood," consistant with nigger gang of Obama's from Chicago police chief Hahn is colluding with in same Looptank Conspiracy; 3. Day prior evinced to be Retaliatory Maliciously hyperreactionary to casework activities of that day 01292021 at

activities of that day 01292021 at issue when, during this unprovoked fight words and communicated threats, which were repeated 08302021, to kill me in my sleep with very arrogant, self-entitled sociopathic attitude, also communicated intention that he was "going to tell (my) mama and dada" accusing me of "talking shit" in his store like an immature Pube!

SUBPOENA: Surveillance footage is procurable. Per Duty to Investigate, I demand procurement by your Investigate Unit and I hereby subpoena and demand delivery of to myself by email (at address: jaakovos@gmail.com) converted to usable format of .mp4 to not technically harass for further delay damage causing harassment. His yelled disrespect betrayed attention by means in same conspiracy on my activities of the day as a hostile interest, when on previous incident, he betrayed to be a party in "disoriented competition" referred to in these actions of same day to steal and replace my identity in RICO conspiracy. In previous incident recorded, he flaunted that his name is James Horton, he wears a nametag reading "James" and betrays.. ith a maliciously

and betrays., ith a maliciously predisposed attitude, a psychotic personal issue on subject and at issue and instigates attitudinally calling me young man. I responded only, on date of 8292021, "my birth certificate had James E. Horton on it 51 years years ago young man" leaving after a purchase. It was a customer complaint for psychotically differential treatment. He is added to a large lawsuit on joindered matters of same issue! He ran out of the store in animos and committed verbal acts aforesaid. They betrayed his personal insecurity issues and involvement in Looptank Conspiracy! I DEMAND THE JUSTICE OF LAW ENFORCEMENT DETERRENCE BY HIS ARREST ON CHARGES OF ALL VARIOUS CRIMES INCLUDING TREASON, SEDITION, AGGRAVATED MANSLAUGHTER AND AS ENEMY COMBATANT ACTIVELY ENGAGED IN ILLEGAL WARFARE AS A LOOPTANKER TO BE KILLED ON SIGHT... # CYCLOPIC PROPORTION PROCLAMATION

The CYCLOPIC Proportion of your Multiple, Simultaneous and Accumulative Criminally Violating Harassments, in Guerrilla Warfare, and Paranoidally Defensive Offenses, on basis that I am the Judeo-Christian figure born into the horton family-tree designated by a pervasively vast devil-worshipping (cryptically) Occultic network headed, and by synodal policies, and with their assignments to all cryptic societies of said network, secretive, of the Vatican (contemporary seat of satan at Rome for centuries, being the Great Whore of "Babylon" which these territories within borders of MY nation are, by illegal contracts of secreted, cryptic intrigue, considered cryptically by MEMBERS of said network, including all so-called publicly presidents representing to be of the United States, such as George Bushes, Obama, Trump, as proven by his spouse, and Joey Biden, and therefore are ipso-facto and actually Treasonous. Evinced prima-facie by their audibly heard participation in the Public

Demonstration Under Treasonous Color of State Action of the Looptank Insurrection Manifest Phenomena, and by ALL, to be annexed to governmentally in Anti-American and Anti-Christian Treason), as war acts of the Looptank Conspiracy, by multiple parties colluding, and with the Most Treacherous American Jezebel, her network and spirit, whose pearless oyster your MEMBERS are all hooked by, and into vile bondage, by shameful Occultic Involvements, which Vaseline has no need for queerly, By these Legal, Just Cause Actions in Offense Against, and in Just Cause Defense PROPORTIONALLY! YOU ALL ARE TOGETHER THE CAUSE I CAN ONLY DO THIS ABOUT OF SAID ACCUMULATION WHICH, BY JUST ACTIONS, YOU WILL BE FORCED TO FACE, WHETHER OR NOT HORTON'S WANT TO ESCAPE INTO INFANTILEMINDED FANTASAICAL ESPAPIISM OF DENIAL WITH LIKEMINDED ASSOCIATIONS! I AM NOT! DO NOT ACCUSE ME BY BLAMESHIFTING SOCIOPATHY AND FAULTY CAUSATION! JCTF Hereby Addresses Scotland Yard In Looptank Matter Most Gravely Outweighing Dear Scotland Yard,  
It is also pertinent to deliver to you this BBOIP Beacon Bog Update with its relevant advisements.

A Sample of Indubitable (or shall I type "Indubitate") Content Most Sincerely Intended for Deterrence Requisite of Policery Roles and Functions by Authoritative Definition at Common Law Since the Most Honorable Magna Carta: as Certainly Your Alleged Majesty The Queen Would At Least Publicly

Majesty The Queen Would At Least Publicly Attest To Acquiescingly With Stated Concurrence While Author Is Enduring Such Vicissitudes and Seeks Permanent Remedy: Youtube Log

Preface:

06092021 Rough Draft Notes (Under Construction):

Racketeering, Evidence Tampering RICO, Malicious to Fundamental Rights of Life, Limb, Liberty and Property... and Due Process and 1st Amendment... Colluding with (obviously complicit in) Insurrectionist War Acts by content prejudiced... Erased most, and obscured rest of, informational descriptions of discovery for means of delivery in Obviously, Most Unimaginably, Exigent Circumstances Outweighing Presumptively any other interests... With Occultic, Organized Enemies... of Looptank Insurrection... Violated terms on these grounds in their favor (their name is Mudd)! Also, AV content reedited without my permission (minimally to be inconspicuous within "Historical Archive" Playlist thus far detected)... All without any notice!

Descriptions and logs of account content will be published herein from copious records and linked. These actions provoke cause for legal confrontation some time to be considered soon amongst harassments to confront on my task list countering the barage of joindered acts of persecutorial conspiracy which has escalated incrementally since reporting by means available. See statements on "About Page."

## HISTORICAL BACKGROUND ARCHIVE Links:

### \* Historical Archive Playlist

By anomalous word-wrap, service has conspicuously obscured following description text:

Videos from a past channel during post911 controversies, an economic crisis and a Fema Concentration Camp threat. There were many unresolved (still, as of yet) legitimate concerns. It's been hijacked by Satanic Organized Criminals. Now, earthlings [hypothetically, assuming all these humanoids are, which seems doubtful with recent behavior fluctuations and anomalies per Looptank Effect Syndrome and other unnatural and artificial factors throughout society worldwide, when I am certain space aliens do not exist, but demon possession does; Daniel recorded, of his vision, that this is all beyond understanding and made him ill for days] have entered a period, without previous resolution, post the G20 Global Summit held in Pittsburgh (near my town of birth) at the suggestion of Obama (an associate of relatives I have never condoned and have disowned) in secret treason with Russia and China. An illegal, secret contract (defying law relevant to treaties) was formed (but illegal contracts are null and void). They sat at a table and lied to each other as Daniel prophesied. They are MAD! National Security Council is NOT legitimate, government or

Council is NOT legitimate government or authority and must be addressed as internationally criminal. Check this out Feds. STOP colluding!

### \* This Was My UTR Playlist

By anomalous word-wrap, service has conspicuously obscured following description text:

SEE "This Was My UTR": This was research and Workproduct preparing for Redress of Grievances against Government Misconduct involving FISA and other UnConstitutional violations stretching to abuse Post-911 policies. The documents are "Personal Papers and Effects." The Misconduct has caused severe damages. ¶ For personal filemanagement, I filenamed the casefile with an acronym for a code-name type of appellation for an initiative category. Spontaneously and impromptu, I quickly derived and wrote "UTR" on its file folder. This also functioned well as a directory name for my netbook's file system. Actually, I call the case something like "JCTF vs. Bush et al." I have served in the Air Force during the Bush administration. Then, I learned of these genealogical relatives' roles in Satanic, Globalist, UnAmerican and Treasonous Conspiracies for certain. ¶ I've been aware: Malicious UCMJ Infractions and relatives connected to federal agencies became obsessed (overzealous), per surveillance

Misconduct, with Retaliation against this they schizophrenically dubbed, "The UTR." Amongst intrusions, they obsessed to "Look for the UTR" and have illegally hacked it incalculable number of times. (Hydzik, in motivating conspiracy to commit... is obviously one major culprit involved because I "was doing something" adult in my life.)¶This was motivation of Police Misconduct, including a Pretextual False Arrest, in Yolo County, CA. This County, I have discovered, was a stronghold of my enemies. This was unbeknownst to me when I walked into West Sacramento, on my direction toward objectives, in 2013. This began more joindered cases with intent, amongst others, to disrupt by their criminal harassments. Since, per discovery, I have inferred the suspicion that this county is such stronghold because it may be the residence of Arnold Shwarzenegger. He has been a connectivity of close, biological relatives of mine through occultic organized crime. This is connectivity with a secret faction obsessed with Ayn Rand Objectivism for treasonous and AntiChristian ideology. Despicably, recording minstrel troupe, "Rush," (through churh of satan connectivities) is hierarchically prominent in said faction as philosophers by the occupational front. Per Looptank Parol Testimony, member Neil Peart, by same front inappropriately glorified mis-valued, usurps himself as and is considered a global, demonic, "overlord" originally from Toronto (who then migrated to England, trained with Occultic affiliation of "British

Invasion" faction, Bill Bruford, to correct trap-set percussion technique he formerly had invented as "The Praying Mantis" while gigging with local, Toronto amateurs named "Mumbling Something" inspired by interest in Hannah Barbara cartoons, Ginger Baker, Kieth Moon without music instruction on his alleged instrument(s) as a teenage self-styled-satanic, numb-skulled and nimrodic habitual doper. He stupidly became overly enthused with Ayn Rand literature and its congruencies with skinny black book content. False-credentialed (typically amongst...),

he received favors in pact with occultic assignments involving clairvoyance and divination I, myself, am central target of, by volitional zeal and natural connectivities. By members of my disowned family, flattered by a history associated with Rock and Roll with Elvis affiliation, he was assigned, in conspiracy, to front, and per subversive motives, with the Atlantic Record contractees aforesaid.

It has been corroborated convincingly to myself by Looptank Parol Testimony: these three of said troupe, during planning of assignment, co-labored with my biological father, Krinkly Moron, as bricklayers for a sub-contractor most likely as college job heir to a Horton family Trust of relations residing in Middletown, NY. They are an occultic genealogy devil-worshipping and central conspiracy by divination is per intent since my birth to practice first-born son sacrifice to Molech as Skull and Bones also practices

Molech as Skull and Bones also practices connected to same genealogy amongst multi-factional connectivities and affiliations. I have nondelusionally witnessed the creep, Neil Peart, also stalking myself conspicuously. One location was Woodland, CA which I was illegally restrained to by Violations of Speedy Trial Rights. I am still laboring to conclude matter (amongst my multitude of matters Harassed with) as nonresident to CA refusing CA residency Against Extreme resistance of Undue obstruction and Warring Misconduct and through organized crime network!

Desist harassing, and by and through Interpol, or any other (and if it may be subordinate to the U.N. and its National Security Council, which does not legitimately or legally rule within my borders with its own National Sovereignty since Independence of 1776 (and I do type, "Go Spirit of '76" consistent with my heritage and tradition having experienced bicentennial during my childhood in Sewickley, PA having 1970 for the year of my notable birth) – it has been Accumulative and
